ONE HEART IN COMMUNITY

From the President, J.D. Childs

What times we live in! Among the social reckoning, pandemic, and significant challenges we face as a nation and world, I find myself unexpectedly grateful. I am filled with gratitude for the bravery and generosity of the O'Dowd community. I am profoundly struck by our community's many layers of generosity—through service, through social justice work, through philanthropy, in shared conversations and diligent work. The ways in which we continuously challenge ourselves and one another to reach higher are inspiring. This year especially, we have been brave and resilient in finding God, community, and joy, in *all* things.

In this issue, you will read about O'Dowd alumni, students, and teachers who have challenged themselves to reach higher to effect positive social change. You will read about our incredible teachers who undertook weeks of significant professional development this summer, taught by their extraordinary peers, to develop new skills for teaching and shaping connection and belonging in a remote environment. And you will see highlights of the past year including one of our graduates' greatest victories—turning challenge to joy in virtual and drive-through graduation ceremonies. In short, you will read about how a community of faith in action shows up to create a better future.

Philanthropic generosity is among the many ways our community shows its commitment to O'Dowd's future. By this measure, the future is bright! "Strength in Numbers" could very well be O'Dowd's mantra, as we have seen growth this year in both the number of donors and the total raised to support our students and programs in a variety of areas. Thank you, O'Dowd community, for all you do to ensure a future filled with innovative education that animates graduates who go into the world with a determination to do good.

We have just launched the community phase of the Cor Unum Campaign to build the O'Dowd Center. With the dollar-for-dollar matching grant from the Wayne and Gladys Valley Foundation, the impact of every gift to this transformative project is doubled. We invite you to join us in bringing this building to our campus. I encourage you to read more on page 20.

O'Dowd's students and alumni, as you will see in this issue, continue to reflect the character, commitment to justice and the common good, talent, and joy we share as a school committed to living our values and putting our faith in action. Thank you—for your continued generosity, your good work, your willingness to give back. Better times are ahead for our world, nation, and community, and O'Dowd students and graduates will no doubt continue to lead the way by example.

With gratitude and joy for the future,

A HOPEFUL COMMUNITY KEEPING DISTANT, STAYING TOGETHER

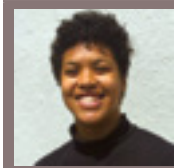

For everyone, the pivot to a new way of working, socializing, and staying connected as a community while remaining physically distant and facing a time of social and racial reckoning bravely has required special intention and commitment over the past months. Here and in the pages that follow are just a handful of special moments and stories, large and small, that kept Dragons connected and expressed the resilience and hopefulness at the heart of our school.

MARCH

The Power of An Outsider and Radical Hope

The Ignatian Solidarity Network publishes “The Power of an Outsider,” a Lenten reflection by Trinity Cooper ‘20 that includes reflective questions for all of us during these challenging times.

Trinity will be attending Franklin and Marshall College

- » How can you better love yourself and overcome your insecurities to respond to God’s call to love?
- » Which voices in your life, your community, and in our world might be excluded or might you not easily hear? How are you being called to hear these voices and respond?
- » How can you use your own experiences to elevate voices on the margins of society—both during this critical time for our world and every day?”

APRIL

Students Lead Earth Week and Lift Your Spirits Week

Our Eco Leader and Creation Care student leaders and staff showed

leadership during O’Dowd’s Earth Week, which was particularly special on the 50th anniversary of Earth Day this year. They offered a dozen activities and things to learn each day around themes of Energy, Land, Animals, Water, and Climate Action. Student leaders also organized “Lift Your Spirits Week”—a virtual celebration with daily activities to keep community, social connection, and fun alive. They invited peers to watch movies together, play video games, and more, and created a video to support the Student Emergency Fund.

Arts Alive at O'Dowd

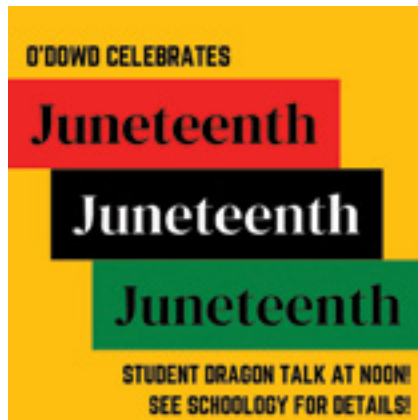

After Shelter-in-Place took effect, art teachers pivot to create projects that allowed students to express and reflect their experience creatively—through photography, drawing, and painting. The Spring Arts Showcase goes online with an incredible year reflected on a beautiful site showing the breadth of O'Dowd talent.

STUDENT EMERGENCY FUND SUPPORTS FAMILIES AMID COVID-19

A special message from Associate Principal Brian Judd

When the pandemic forced the O'Dowd community to shelter in place last spring, many of you asked how you could support our students and families who had been impacted by COVID-19. The O'Dowd Student Emergency Fund was created to support families with tuition assistance needs due to the pandemic. I was honored to be part of this effort.

It was inspiring to watch our alumni use social media, emails, and phone calls to encourage classmates to give back. Leslie Robertson '81, Felicity Meu '97, Starr Gray '98 and an anonymous alum all offered matching gifts to encourage and inspire their fellow alums to give. We saw participation from the Class of 1955 to our newest alumni from the Class of 2020.

First-time donors, Christine Saccamanno Ewert '10 and Daniel Ewert '10, said,

"We would not be where we are today without O'Dowd. While we do not have a lot to share, we are sharing what we can."

Alumni also offered encouragement and congratulations to the Class of 2020. Lara Huppert '91 shared, "You've just received the best academic education you will ever experience! Please use this education to infuse the world with love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Congratulations and God bless you!"

In total, more than 250 donors came together to offer support. I want to express my heartfelt appreciation to all who participated in this effort, especially during these trying times. The generosity of our community is life-changing for students.

Thank you, and Go Dragons!

STAY UP, STAY STRONG

Like student-athletes across the country, Dragons lost a vital part of their experience and community amid COVID-19—just as Men’s and Women’s Basketball teams were poised for state tournaments. Athletics leaders and coaches have done incredible work to keep teammates connected with one another and strengthen their social bonds as well as their bodies throughout this period. This fall, the focus is on the whole athlete, and the athletics department leaders hope to offer student-athletes a series of workshops with experts and alumni to share wisdom on topics that may include athletics-related careers, sports psychology, leadership, faith, social justice and service, and more. With this ongoing training and support, student-athletes will no doubt remain tight in their athletic communities and ready to train together and compete fiercely when the time is right.

CLASS OF 2020 ONE OF A KIND

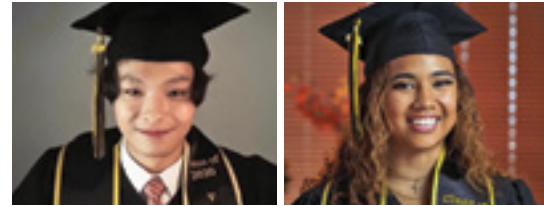

What a year to graduate! O'Dowd's Class of 2020, like high schools across the nation, faced a daunting challenge this past spring—graduating remotely. After years of diligent work and overcoming the normal challenges of high school as well as celebrating success with their friends and as a class, the traditional commencement ceremony held at the Paramount was canceled by COVID-19.

Undeterred, the graduating class, O'Dowd leaders, and families banded together to celebrate the Class of 2020's achievements and this rite of passage in new, fun, and remarkable ways: car magnets for every graduate, Class of 2020 pennants, yard signs, a virtual graduation ceremony with traditional speeches and awards, and a Drive-Thru Graduation Celebration.

ACHIEVEMENT AND CHARACTER

Along with many student honors included in the print program families received at the Drive-Thru graduation, select students received special honors for character and achievements and delivered short video speeches to their classmates, families, and the community at the Virtual Graduation.

THE COR UNUM AWARD

View Nicole Cober's '89 speech at bishopodowd.org/class-of-2020/

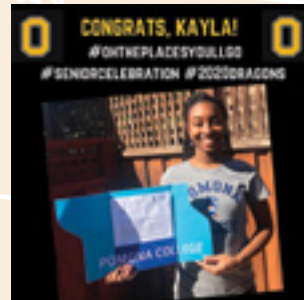

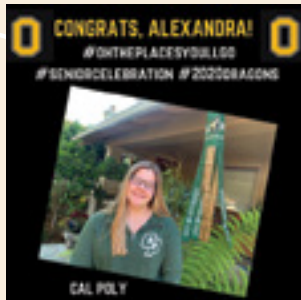

O'Dowd's highest honor, the Cor Unum Award, is named for the school's motto, "One Heart In Christ" and is presented annually to a community member whose life and work embody the school's mission to create a more just, joyful and sustainable world.

This year, Nicole Cober '89 received this special honor. Known to friends and clients as "Nic," Cober is a member of the Class of 1989 and Principal Managing Partner of Cober Johnson & Romey, an award-winning, multi-million dollar legal and business consulting firm in D.C. serving non-profit, private, and public sector clients.

A trailblazer in D.C.'s small business community for nearly a decade, Nic is now an attorney and advocate for her D.C. community and has recently turned her attention to helping other women grow their businesses. Nic's video address to the Class of 2020 was timely, heart- and faith-filled, and particularly inspiring during the challenges of spring.

Oh, the Places You'll Go!

SUMMER PROFESSIONAL DEVELOPMENT FOR CONNECTION AND LEARNING

Over two weeks in July, faculty and staff gathered virtually for in-depth professional development to prepare for this unusual Fall semester. Informed by parent, student, and faculty survey data on remote learning, teachers and program leaders immersed themselves in learning that has strengthened our ability to deliver academic excellence while fostering social-emotional connection and belonging among students, teachers, coaches, and administrators in an environment of emotional health and safety. Our new framework for remote learning, ConnectEd, not only includes enhanced teaching and learning, but also later start times, flex time for teacher and peer support and interaction, and a balance of time on and off screen for all.

Courses were led by expert O'Dowd teachers and administrators, who offered several sessions to strengthen teaching and community virtually. "After 28 years of classroom teaching, I'm excited to try new interactive video lessons and other new tools for remote learning," said Brian Cushing '84, from the Social Studies Department. "I look at it as a unique opportunity to evaluate and tinker with not only what I'm teaching, but how I teach it. It's given me an interesting new perspective on what my role should be in my student's learning process."

These sessions helped O'Dowd educators develop strategies that minimize passive screen time and empower students to engage with high-quality content, facilitate group learning among their peers, and connect with support through counseling, academic support, learning differences, health and wellness, and clinical services.

Director of Counseling Fran Warmerdam summed up the fall preparation and plan well. "I was amazed by the expertise of each presenter. I'm proud that we have such enlightened colleagues to share their gifts with us, and I feel both more prepared and more encouraged that virtual learning at O'Dowd will be a solid experience. I know our students will both learn and build community, even though we are not all together."

“ I am always wowed by the talent, compassion and enthusiasm of our faculty and administration. I've learned valuable teaching techniques to make learning more accessible and worthwhile for our students. Most importantly, I learned that no one—students, parents, teachers—is alone in online learning. O'Dowd supports us as we engage with the material, and each other. ”

Annette Counts
Librarian

“ I found our professional development to be very insightful. I am truly amazed by the commitment of our entire staff for the betterment of our community! ”

Lou Richie '89
Varsity Men's Basketball Coach

“ Not only was it wonderful to connect with other faculty members, but the content of each session also gave me so many ideas for how to be creative and efficient with remote teaching. It helped me prepare to come up with activities for students to connect this coming semester. The sessions were incredibly helpful and the session leaders were remarkable! ”

STANDING TOGETHER, LIFTING VOICES, TAKING ACTION

George Floyd's murder—and the loss of many others to racial violence—called renewed, needed attention to the ongoing struggle for racial justice. In the last several months, O'Dowd's faculty and staff, alumni and students, have lifted their voices and taken action for the common good. Community members have marched and demonstrated, petitioned elected officials, contributed time and resources to racial justice organizations, and engaged in dialogue, both in person and online, to make cultural change.

These are a few members of our Dragon community who have exemplified strength of character and a passionate commitment to justice. We applaud their contributions to building a more inclusive and joyful world, and we are moved by all of the ways our school and broader Dragon community are standing together to create a more equitable, sustainable future for us all.

Xavier Brown '19, freshman at UCLA, returned from college to organize one of the first and largest peaceful protests in Oakland, with more than 15,000 in attendance. His leadership and the protest, organized with childhood friend Akil Riley, was featured in several media outlets including the *Washington Post* and *Wall Street Journal*.

Ayanna Ziegler '12, film director and writer, released "A Word," a short film about cross cultural communication that tackles white people's use of the 'n' word.

Tony Green, O'Dowd history teacher, known for his extensive knowledge of African and Black American history, has advised a major university, Fortune 10 companies, and high school athletic leagues about how to create a more just world. He has also appeared on over 10 podcasts, and is currently producing a documentary on the history of Black protest and Civil Rights in Oakland.

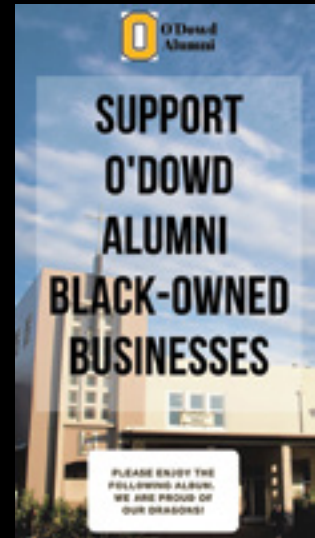

Brian Tippens '89, has worked for Hewlett Packard/Hewlett Packard Enterprise (HPE) for nearly 20 years. He currently serves as Vice President, Deputy General Counsel for HPE, and prior to his current role served as Vice President, Chief Diversity Officer. Through his corporate leadership, he helps organizations leverage inclusion, culture and engagement to win in the marketplace.

Recent O'Dowd Alumni Evangeline Miller Schai '20, Jessie Boswell '20, Eli Farrington '20, Sidney Jacobs '20, Samaya Lewis '20 and Keiani Allen '20 worked together to design and paint a Black Lives Matter mural with the names of those lost to racial violence in front of Philz Coffee on the corner of College and Claremont.

Our O'Dowd Alums started a Facebook campaign promoting and supporting O'Dowd alumni Black-owned businesses, especially as the pandemic shook the economy.

Alexandria Love '10, Communications and Sales Strategist for Berrett-Koehler Publishers, published an article through her company, entitled "How to Move from Non-Racist to Anti-Racist."

In celebration of **Juneteenth**, our students held an articulate, insightful, and informative conversation that was a moving and profound education for our adult community.

Matt Lane, O'Dowd history teacher, organized a family-friendly protest for younger children, joined the campaign to #RunWithAhmaud, and has been actively planning and preparing with O'Dowd faculty to bring direct anti-racist pedagogy into our classrooms, empowering students to counter the systemic oppression that divides our nation.

CREATING CHANGE AT O'DOWD

A commitment to racial justice is integral to O'Dowd's *charism* values of "community in diversity" and "social justice." Today, we are deepening ongoing efforts to identify and dismantle systems that create obstacles to full equity, inclusion, and belonging for Black, Indigenous, and People of Color within the O'Dowd community.

As a Catholic school, we know that through this intentional process of close listening, self-examination, reflection, and action we will discover God anew. We undertake this work so that current and future generations of O'Dowd students may powerfully experience belonging they carry forward into their lives beyond O'Dowd.

One Heart in Community

THE CAMPAIGN FOR
BISHOP O'DOWD HIGH SCHOOL

Now more than ever, we need to lift students' gifts and voices so they may share them joyfully—with one another, their community, and our world.

To meet this need, we have launched an ambitious \$36.5 million campaign—Cor Unum: One Heart in Community—to build the O'Dowd Center. The O'Dowd Center will be a place for everyone and will support the heart of the O'Dowd co-curricular experience. The Center will serve our entire community of students, parents, and alumni.

The O'Dowd Center, initially envisioned by former President Steve Phelps, will address long-overdue gaps on our campus.

O'Dowd is known for being forward thinking and innovative. The new building will ensure that the school remains a strong, competitive Catholic institution for generations of students in Oakland and surrounding communities.

“We are excited to be a part of the new and extensive construction project. Stepping into the current gymnasium is like stepping back in time, like a time capsule. It’s time to bring our school and campus into this century and give our kids this much needed set of new facilities. Our kids need and deserve this new project!”

—**Nam Do and Marc Countryman**, Parents of Emma ‘22

“Yes! Finally! When I was a student, the girls’ basketball team never had the opportunity to use the strength and conditioning room because the space was so limited. Our athletic facilities never lived up to the stellar reputation of O’Dowd sports...until now! I am thrilled that students will have a beautiful space to showcase their talent that matches our Dragon Pride!”

—**Lisa Brue ‘85**, Women’s Varsity Basketball 1982–85, parent of Jalyn ‘19 and Lauryn ‘21

“Our music program develops many gifts and talents—social, musical, and academic. The Center will provide new spaces that strengthen our shared experience in which students see in others kindred creative spirit. With both recording and ensemble-size practice spaces, students will create musical excellence!”

—**Fred Randolph**, Director of Instrumental Music

We began the Cor Unum capital campaign to build the O’Dowd Center in 2018 and now we have raised \$33 million toward our \$36.5 million goal.

The school was awarded a dollar-for-dollar match for every pledge and gift to the O’Dowd Center from the Wayne and Gladys Valley Foundation. This unprecedented matching gift opportunity has spurred wonderful generosity as the community comes together to leverage every dollar for our future.

**DOUBLE YOUR
IMPACT**

CONNECT

The O'Dowd Center will be the central gathering place for the entire school community of students, teachers, and staff to come together for Mass and other faith-based activities. It will also be used for rallies that foster school pride and class unity, assemblies in which students share their diverse talents and cultures, celebrations that honor school traditions, and events with alumni, parents, and the broader community.

PERFORM

The Drama Studio will provide space for classroom instruction, rehearsals, and intimate performances. With dedicated practice rooms, **the Music Studio** will provide the professional instruction, practice, and recording spaces for soloists and jazz, string, and symphonic ensembles to realize their passion.

“The O’Dowd Center is about giving our students the physical space where they may explore their interests and passions and reveal their gifts, realizing their fullest potential as individuals, community members, and leaders.”

—**J.D. Childs**, President

COMPETE

The Gymnasium will include a full-size court and triple current seating capacity. This will allow the school to host post-season games with ample space for fans, friends, and families.

The Athletic Performance Lab will feature enhanced strength and conditioning equipment and sports medicine resources under one roof to accommodate more than 3,000 annual visits from students at every stage of fitness.

LEARN

A multi-purpose classroom that can accommodate 50-60 people with advanced audio-visual presentation capabilities will serve as a flexible space for instruction, presentations, and events for students and faculty as well as guest speakers and professional presentations. An **additional much-needed classroom** will enhance student learning.

EDUCATING THE HEART WITH GENEROSITY

DEBI AND KEVIN SWEENEY

Parents of Louis '97, Megan '01, Jill '06 and Joe '20

Debi and Kevin Sweeney made lots of sacrifices to send their four children—Louis '97, Megan '01, Jill '06 and Joe '20—to Bishop O'Dowd High School. While delighted that their children would receive a superior college preparatory education, the couple was most inspired by O'Dowd's mission to provide an education of the heart. "O'Dowd has a way of taking all those hopes and dreams that we have for our children and turning them into reality," Debi said.

When it came time for high school, O'Dowd stood out because of the community of families, people who hold similar values and expectations. At O'Dowd, these values are embedded in our charism and include community in diversity, strength of character, academic excellence, kinship with creation, social justice, and joy. "You are a product of your environment," Kevin said. "That's why we picked O'Dowd."

Debi and Kevin decided to make a leadership gift of \$1 million to the Cor Unum Campaign — so that the next generation of O'Dowd students have even more robust opportunities to embrace their values, serve their communities, and develop lasting relationships.

O'Dowd is grateful for the Sweeney family's generosity, infused with a deep understanding of community, commitment, and clarity summed up well by Kevin. "Debi and I want to contribute to something that will make a difference. We're now in a position to help, so that's why we are doing it. It's as simple as that ... it's time. Let's get the shovels in the ground."

"O'Dowd is great at giving students not just excellent academic instruction, but also powerful opportunities to grow as a whole person, to get involved in music and the arts and sports and clubs. And that's what the Center will help provide for students, more of those experiences. It's about living our Charism."

† DECEASED

Generous

Dear Friends,

Your support of Bishop O'Dowd High School this past year has been nothing short of remarkable. For so many members of our community, this school remains a central part of your lives. You've come together in spirit and generosity to ensure that the legacy of O'Dowd endures.

This last spring—even with the challenges that we have faced personally and as a society—giving to O'Dowd remained strong. Such generous philanthropy underscores the fact that, now more than ever, the world needs institutions like ours. Your support enables us to educate a racially and socioeconomically diverse body of students with the values and competencies to lead global change.

In August, President Childs announced that by March 31, 2021 the school will raise \$36,500,000 to fund the new O'Dowd Center on campus. This will be possible due to an extraordinary dollar-for-dollar match from the Wayne and Gladys Valley Foundation—every dollar raised for the O'Dowd Center will be doubled. As of August 26, the school has received \$16,500,000 in gifts and pledges toward the project which, when doubled, contributes \$33,000,000 to build the O'Dowd Center through the Cor Unum capital campaign. The O'Dowd Center will support the school's award-winning programs in performing arts and athletics, bring two much needed general classrooms, and create a larger public space for liturgies, assemblies, community events, and student rallies.

While we work to build a strong future for the school, our community is also ensuring that we have sufficient resources for today's needs. The school raised \$2,781,457 in gifts to the O'Dowd Annual Fund, which supports the unique programs, resources, and people that make this such an exceptional school.

"Each gift to O'Dowd, no matter the size, has a story behind it: a teacher or coach who inspired the transformational support of financial aid, a family's long and multi-generational connection to O'Dowd, a simple thank you."

And from each gift, a new story unfolds for an O'Dowd student: the achievement of being the first in a family to attend college, the pride in seeing leadership skills develop as a retreat leader, the cheering a team on as the winning goal is scored, the click when a complex math concept finally takes hold, the first days of what will become a lifelong friendship.

Each gift counts, each person counts. And collectively, over the years, we have built and grown a school that has produced so many remarkable stories of achievement and inspiration. None of this would be possible without the generous support of you, our extended community. Together, we can achieve even more for the students of Bishop O'Dowd High School.

Thank you,

Rebecca Bischoff
Chief Development Officer

"The benefits of Catholic schools to our community cannot be overlooked. The Catholic schools that are thriving today are the ones that are nurtured, cared for and supported philanthropically by the broader community of alumni, families and friends. O'Dowd has made immeasurable gains in serving the community and we all need to do our part to ensure this path continues."

Looking Back and Giving Forward

Nancy Negri '70

When asked about the differences between O'Dowd when she attended and now, Nancy Negri '70 laughed and said, "Well the boys used to have one end of the hallway, and the girls had the other. By the time you got far enough into a specific academic track there would be some mixing of students, but my classes freshman and sophomore year were all girls."

"Even though Title IX was years away from being passed in the late sixties, O'Dowd had women's athletics programs when many public schools did not. We even had the opportunity to play other teams from Catholic schools throughout the Bay. My education is my number one takeaway from O'Dowd, but my time playing sports here gave me some of my favorite memories."

Nancy played high school basketball and volleyball, and her experiences playing sports at O'Dowd inspired her to pursue a career in physical education and coaching. Nancy went on to attend Cal Poly San Luis Obispo, where she played basketball and majored in physical education and minored in math.

Nancy taught for decades, starting with PE and math, and teaching math full time for 22 years. "My time at O'Dowd is special to me because I had so many nun and lay teachers who were role models without me even realizing it. I once had a female student who was surprised to learn that math was a predominantly male field because she had female math instructors her whole time at O'Dowd. Even now, I see that O'Dowd is committed to ensuring all students get access to the highest quality education, and that makes this place so special in my eyes."

In tribute to O'Dowd's students and teachers, Nancy included O'Dowd in her estate plans. "I don't know what I hope to teach the students through my philanthropy. They do so much more for the world than we did in our days. My involvement with O'Dowd helps me learn from them. The best way to learn is by doing, and I see them working with O'Dowd to make the world a better place every day."

WE CAN'T THANK YOU ENOUGH

We want to express our appreciation for your planned gift to Bishop O'Dowd High School. **But we may not know about it.**

Please tell us if you have included O'Dowd in your will or trust, as the beneficiary of your IRA, retirement account or insurance policy. Your gift makes you a member of O'Dowd's Heritage Society—loyal alumni, parents, grandparents, faculty, staff, and friends who are helping to make the O'Dowd experience possible for future generations.

Sharing this information also helps to ensure we know best how to honor your philanthropic intentions.

If you have, or intend to, name O'Dowd in your estate plan, or would simply like more information, please visit bishopodowd.org/giving/gift-planning or contact:

With employer matching gifts, it is possible to double or even triple your gift! Many employers will match charitable contributions made by their employees. Some companies even match gifts made by retirees and spouses!

To find out if your company has a matching gift policy, visit bishopodowd.org/matching-gift and enter your employer's name in the search box. Most of the time, it's as easy as filling out a form online.

For assistance, contact Nicole Ferdinando at (510) 553-8669 or nferdinando@bishopodowd.org.

ENDOWMENT

An endowment fund is restricted capital that provides a permanent source of income for O'Dowd. The principal is invested in a disciplined manner, and the earnings and investment appreciations are channeled back into the fund. This allows the endowment to grow over time and become a source of long-term support that can be maintained permanently.

Endowments provide funding for families who might not otherwise be able to afford a Catholic college preparatory education; they also provide resources for the programs and services from which all O'Dowd students benefit.

AN O'DOWD FRIEND AND CHAMPION KERRY MURPHY '60

The O'Dowd community lost a good friend and champion with the passing of Kerry Murphy '60. Kerry loved to share stories about his time at O'Dowd. When he was a freshman, his family moved from San Lorenzo to rural Alamo. In order to continue at O'Dowd, Kerry took up driving at the age of 14 and earned his tuition by working at his father's business in Oakland. After O'Dowd, he went on to the University of San Francisco, owned a successful tire business, and raised his family with his wife Margie in Orinda. In the 1990s, he founded the successful DuMOL Winery.

Selective about their philanthropic priorities, Kerry and Margie provided generously for O'Dowd's future by giving to tuition assistance and including O'Dowd in their estate plans. Kerry was also part of the Class of 1960 gift committee and joined fellow classmates in raising funds for O'Dowd.

In an interview this past January, Kerry shared his affection for his alma mater and his belief in the many ways O'Dowd supports students to succeed and grow. "I wish more kids could go to O'Dowd. Students not only get a good education, but they are also in a community that's diverse and representative of what's out there in the real world. We learn so much when we are with people of different backgrounds. I really think that diversity helps you in life, and I want to contribute to that kind of education and community. I am incredibly proud of being an O'Dowd alumnus. I want today's students to have the very best and share that same experience."

Kerry passed away in early July at his home in Orinda. He is survived by his beloved wife Margie, his five children and their spouses, and his eleven grandchildren.
